**RE: CC Docket No. 02-6
Request for Review
LETTER OF APPEAL, FORM 486 APPLICATION NUMBER 255689,
Claremont School District, Billed Entity Number 121171**

To Whom It May Concern:

Enclosed is a Request for Review. We would like to appeal the SLD decision regarding Adjusted Funding Commitments for all FRNs contained in the Form 486 Notification Letter dated May 19, 2004. This letter refers to Year 2003 Form 486 Application Number 255689. The Billed Entity is the Claremont School District and our Billed Entity Number is 121171.

The funding commitment adjustments were made in accordance with the E-Rate program's 120-day 486 filing deadline and were based on the on-line filing date of April 23, 2004. However, while it is the case that this 486 was certified on this date, the form was in fact a duplicate submission. A signed hardcopy had previously been sent via Certified Mail to the SLD on February 4, 2004.

I certify that that the package that was mailed on this date contained the enclosed handwritten Form 486 for the Claremont School District. It is my understanding that it also contained twelve (12) Forms 471 and two (2) other Forms 486 as follows:

Forms 471

425568	427352	423246	423174	390903
428711	428615	428619	418633	426233
418988	418907			

Forms 486

For Entity Numbers: 3199 121171 160061

An SLD Customer Service Representative suggested that the Forms 486 be mailed with the Forms 471 "to speed the processing of the forms". We were told that they would be scanned along with the Forms 471 and then sent to the group that handles Forms 486. As a result, the package containing these forms was mailed to: SLD - Form 471, C/O Ms. Smith, 3833 Greenway Drive, Lawrence, KS 66046.

After waiting for two months to receive a Form 486 Receipt Notification Letter, we called the SLD to check the status of our Form 486. It was at that point that we were informed that our 486 Application did not show as Certified in the SLD's computer system. We were then instructed to re-file our 486 by Lori, an SLD Customer Service Representative. She suggested that we follow up our 486 with this appeal.

Enclosed is a copy of the original Form 486, a copy of our Form 486 Notification Letter dated May 19, 2004, and a copy of the U.S. Postal Service Delivery Confirmation Receipt. Please note that a Post Office Employee originally wrote, "SLD #471" on the Confirmation Receipt. She based this simply on the mailing address of the package. We subsequently added, "& 486" to the receipt to indicate the package's contents for our own records.

In this appeal we are requesting that the original postmark date of 2/4/04, which was well within the 120-day deadline, be used to revise the Funding Commitment for 486 Application Number 255689. We feel that we have followed SLD instructions in filing our 2003 Form 486 and should not be penalized by losing a significant percentage of our Funding Commitment for 2003.

Our school has been able to provide an enhanced learning experience for many children because of E-Rate funds. We appreciate the opportunities the program affords us, but in all the years we have participated in the program we have never had this kind of problem. We look forward to being able to continue to work with the program to improve services in our school.

Sincerely,

Allen Damren
Assistant Superintendent
